WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

**1. General**

**1.1 Application of Rates, Terms and Conditions**

1.1.A Hill Country Telephone Cooperative, Inc., incumbent local exchange carrier (“ILEC”) study area designation 442086 with FCC Form 499 Filer ID 801639 is hereinafter referred to alternatively as “Company.”

1.1.B The rates, terms and conditions contained within this document, hereinafter referred to as “Rates, Terms and Conditions,” are applicable to the provision by the Company of Consumer Broadband-Only Loop Service, hereinafter collectively or individually referred to alternatively as “Service” or “Consumer Broadband-Only Loop Service” or “CBOL Service”, as specified herein. Service is furnished hereunder on a wholesale basis to Wholesale Customers who are Internet Service Providers (“ISPs”). Service is furnished subject to the availability of facilities and subject to transmission, atmospheric and like conditions. By accepting Service from the Company, a Wholesale Customer accepts these Rates, Terms and Conditions as a binding agreement between the Wholesale Customer and the Company.

1.1.C Under the Rates, Terms and Conditions the Company offers the Services subject to the jurisdiction of the Federal Communications Commission (“FCC”) pursuant to Title II of the Communications Act of 1934, As Amended, (47 USC § 201-276) on a common-carriage permissively detariffed basis.

These Rates, Terms and Conditions effect compliance with the FCC’s rules and regulations under which the FCC allows rate-of-return ILECs to offer CBOL as a telecommunications service on a permissively detariffed basis. The FCC allows providers of CBOL Service, in lieu of filing tariffs with the FCC for CBOL Service, to include rates, terms, and conditions in generally available offerings posted on their websites. See *Connect America Fund et al.*, WC Docket No. 10-90 et al., Report and Order and Order on Reconsideration and Further Notice of Proposed Rulemaking, 31 FCC Rcd 3087, paras. 86-94 and 193 (Released March 30, 2016) (*Rate-of-Return Reform Order*).

1.1.D The Company offers Services where technically feasible within its incumbent local exchange carrier (“ILEC”) exchange boundaries in the state of Texas. For purposes of interstate services, including permissively detariffed CBOL Service as is comprehended by the Services, the Company’s serving area is identified as a study area with a discrete Study Area Code (“SAC”) 442086.

WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

- 1.1.E The provision of Service by the Company as set forth in these Rates, Terms and Conditions does not constitute a joint undertaking with the Wholesale Customer for the furnishing of any service.
- 1.1.F From time to time, the Company may at its sole discretion modify the Rates, Terms and Conditions. Modification will be effective thirty (30) days after both posting of revised Rates, Terms and Conditions on the Company's Internet web site and mailing by United States Postal Service a copy of the revised Rates, Terms and Conditions to all Wholesale Customers currently a party to an executed Agreement as described in Section 2.5 following.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### 1.2 **Definitions**

Certain terms used throughout these Rates, Terms and Conditions are defined as follows.

#### Application for Service

An “Application for Service” is a standard order form submitted by a Wholesale Customer which includes all pertinent billing, technical, and other descriptive information which will enable the Company to provide the Service as required.

#### Broadband

For purposes of these Rates, Terms and Conditions, “Broadband” means transmission of IP data at speeds of 512 kbps or higher upstream and 512 kbps or higher downstream.

#### Business

“Business” means any activity that occupies the time, attention, and labor of a person or persons for the purpose of a livelihood, profit, government, provision or administration of education, organized not-for profit activity including, but not limited to, professional services.

#### Business End User

A “Business End User” is a Retail End User of the Wholesale Customer with one or more locations in the Company’s service area who operates a business from the location or locations for which the Company has facilities in place such that the Company is capable of providing Service to the location.

#### CBOL Line

A “CBOL Line” is a facility extending the Company’s telecommunications network capable of transporting Service to the premises of the Wholesale Customer’s End User .

#### Company

The term “Company” refers to Hill Country Telephone Cooperative, Inc., study area designation 442086 and FCC 499 Filer ID 801639, operating in the state of Texas.

#### Customer Provided Equipment

Terminal equipment or facilities provided by persons other than the Company and connected to the Company’s Services and/or facilities.

#### CBOL Service

The term “CBOL Service” or “Service” refers to provision of Service over Company facilities that do not also carry Company-provided local exchange switched voice service to the End User premises.

#### Digital Subscriber Line (“DSL”) Access Service Connection Point

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

The term “Digital Subscriber Line (“DSL”) Access Service Connection Point” is a location designated by the Company that serves as an aggregation point for the collection of Company CBOL Service traffic from multiple Digital Subscriber Line Access Multiplexers (“DSLAMs”) or comparable packet-mode data modem equipment. Wholesale Customers establish connections to the Company’s CBOL network at the Company designated DSL Access Service Connection Point.

### Downstream

“Downstream” refers of the flow of IP data from an ISP to an End User designated premises such as, but not limited to an End User’s home or business over the Company’s CBOL network.

### End User

The term “End User,” as used in these Rates, Terms and Conditions, refers to the individual or business legally occupying through ownership, lease, rental or other similar legal device a premises within the Company’s study area that has legal authority to order utilities, telecommunications, information services and other services for the premises. The End User is not an active local exchange switched voice service customer of the Company but occupies premises to which the Company has connecting facilities capable of providing CBOL service. The term “End User,” as used in these Rates, Terms and Conditions, refers to an End User to which the Wholesale Customer orders Service for connection to the Wholesale Customer’s ETS connection at the Company’s DSL Access Connection Point. An End User may be either a Residential or a Business End User to which the Wholesale Customer of the Company provides retail Broadband Internet service.

### Ethernet

The term “Ethernet” denotes a high speed networking technology utilizing a packet-based Ethernet protocol. Ethernet enables broadband multimedia traffic (i.e., voice, data and video) to be carried over the same network. Ethernet Transport Service (“ETS”) for connection to the Company’s CBOL network DSL Access Service Connection Point at the Company designated Serving Wire Center (“SWC”) must be ordered by the Wholesale Customer from the Company pursuant to the regulations and rates in National Exchange Carrier Association (“NECA”) Tariff FCC No. 5 for which the Company is an issuing carrier.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### Incumbent Local Exchange Carrier (“ILEC”)

Incumbent Local Exchange Carrier (“ILEC”) has the same meaning as Section 251(h) of the Communications Act, as Amended 47 U.S.C. § 251(h)(1).

(1) DEFINITION.--For purposes of this section, the term “incumbent local exchange carrier” means, with respect to an area, the local exchange carrier that--(A) on the date of enactment of the Telecommunications Act of 1996, provided telephone exchange service in such area; and (B)(i) on such date of enactment, was deemed to be a member of the exchange carrier association pursuant to section 69.601(b) of the Commission's regulations (47 C.F.R. 69.601(b)); Or (ii) is a person or entity that, on or after such date of enactment, became a successor or assign of a member described in clause (i).

### Internet

The Internet is “the international computer network of both Federal and non-Federal interoperable packet switched data networks.” 47 USC §230(f)(1). The Internet is also described as “the combination of computer facilities and electromagnetic transmission media, and related equipment and software, comprising the interconnected worldwide network of computer networks that employ the Transmission Control Protocol/Internet Protocol or any successor protocol to transmit information.” 47 USC §231(e)(3).

### Internet Protocol (“IP”)

The Internet Protocol (“IP”) is the industry standard method or protocol by which data is sent from one computer to another on the Internet.

### Internet Service Provider (“ISP”)

An Internet Service Provider (“ISP”) is an organization that provides access to the Internet. The ISP provides the username and password to the retail End User Internet customer.

### kbps

“kbps” is the widely recognized abbreviation for “kilobits per second”, a measure of data transfer speed. The “k” in kbps is lowercase to indicated measurement in decimal, i.e. 512 kbps is 512 kilobits per second.

### KB

“KB” is the widely recognized abbreviation for kilobyte, equal to 1,000 bytes of data without respect to speed of transmission. Where a byte comprises eight bits, transmission of one KB at 1,000 kbps would take approximately eight seconds. Storage of data is generally measured in kilobytes and, in turn, the size of a file for transmission over the Internet is measured in kilobytes (data storage is also measured in KBs). For purposes of these Rates, Terms and Conditions, monthly data transmission limits are set at levels of KBs.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### Local Exchange Switched Voice Service

Local exchange switched voice service is voice grade access to the public switched telephone network (“PSTN”) provided by the Company to the End User Subscriber for a charge that enables the End User Subscriber to transmit voice communications, including signaling the network that the caller wishes to place a call, and to receive voice communications, including receiving a signal indicating there is an incoming call.

### Mbps

“Mbps” is the widely recognized abbreviation for “megabits per second”, indicating a data transfer speed of one million bits per second.

### Gbps

“Gbps” is the widely recognized abbreviation for “gigabits per second”, indicating a data transfer speed of one billion bits per second. Gbps is also referred to as “Gig.”

### National Exchange Carrier Association Tariff FCC No. 5

National Exchange Carrier Association, Inc. (“NECA”) Tariff FCC No. 5 is the interstate access tariff filed by NECA on behalf of members of NECA. The Company is a member of NECA and a participant in the NECA Traffic Sensitive Pools. Additionally, the Company is an issuing carrier for NECA Tariff FCC No. 5. Because the Company is an issuing carrier, it is pursuant to the rates and regulations of NECA Tariff FCC No. 5 that Wholesale Customers must order interstate Ethernet Transport Service (“ETS”) services required for connection to the Company’s CBOL network at the Company’s DSL Access Connection Point.

### Rates, Terms and Conditions

“Rates, Terms and Conditions” refers to this document as a whole comprising the rates, terms and conditions applicable to the provision of Services to Wholesale Customers by the Company.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### Residence

A “Residence” is an End User dwelling place with a unique street address, rural delivery or other address recognized by the United States Postal Service or United States Census Bureau, notwithstanding the End User may receive mail at a post office box, that is inhabited by a person or persons with legal control of the dwelling place and who are authorized to order service for the address. For purposes of this definition, a street address includes, where applicable, an apartment number or other such number indicating a unit within a multiple dwelling unit.

### Residential End User

A “Residential End User” is a Retail customer of the Company’s Wholesale Customer with a Residence in the Company’s service area for which the Company has facilities in place such that the Company is capable of providing CBOL service. Where a person or persons operates a Business from a Residence, the End User will be considered a Business End User.

### Retail

“Retail” means the provision of Broadband Internet services directly to the End User by a Wholesale Customer of the Company through the Company-provided wholesale CBOL Service provided under these Rates, Terms and Conditions. The relationship of the Wholesale Customer and its End User Broadband Internet service customers is a retail relationship. For purposes of Broadband Internet services, the End User has a direct relationship with the Wholesale Customer and not the Company.

### Service

“Service” means the offerings of the Company comprising Consumer Broadband-Only Loop (“CBOL”) Service.

### Serving Wire Center

The term “Serving Wire Center” or “SWC” denotes the DSL Access Service Connection Point and the point to which the Wholesale Customer would order ETS to complete transport from the Wholesale Customer’s network to the Company’s CBOL network.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### Study Area

A study area is a geographic segment of an ILEC's telephone operations and generally corresponds to an incumbent local exchange carrier's entire service territory within a state for which the National Exchange Carrier Association, Inc. ("NECA") has assigned a six-digit study area code ("SAC").

### Telecommunications

"Telecommunications" is the transmission of voice communications or, subject to the transmission capabilities of the service, the transmission of data, facsimile, signaling, metering, or any other form of intelligence.

### Upstream

"Upstream" refers of the flow of IP data from an End User designated premises such as, but not limited to a End User's home or business to the Company's CBOL network.

### Wholesale

The term "Wholesale" when used in the context of CBOL refers to provision of CBOL Service to ISPs who, in turn, provide retail Broadband Internet service to End Users.

### Wholesale Customer

A "Wholesale Customer" is any individual, partnership, association, trust, corporation, cooperative or governmental agency or other entity operating as an Internet Service Provider that utilizes the Service provided by the Company under these Rates, Terms and Conditions. A Wholesale Customer, as set forth herein, is responsible for the payment of charges and for compliance with all applicable terms of the Rates, Terms and Conditions.

WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

2. **Terms and Conditions**

2.1 **Undertaking of the Company**

2.1.A **Scope**

The Company makes Services available to Internet Service Providers (“ISPs”). Services are described in Section 3 of these Rates, Terms and Conditions.

Connecting the Wholesale Customer’s ISP network to the Company’s CBOL network requires the Wholesale Customer to order Public Packet Data Network transport services sufficient to carry the Wholesale Customer’s data between its premises and the Company’s designated DSL Access Connection Point. Public Packet Data Network transport services within the Company’s serving area must be obtained from the Company under National Exchange Carrier Association (“NECA”) Tariff FCC No. 5. The Company is an issuing carrier for NECA Tariff FCC No. 5 and bills Customers the rates established in NECA Tariff FCC No. 5 for services ordered pursuant thereto.

For purposes of connection from the Wholesale Customer Designated Premises (“CDP”) to the Company’s DSL Access Connection Point, the Company provides the following services pursuant to NECA Tariff FCC No. 5 and subject to technical capability.

**Public Packet Data Network:**

Ethernet Transport Service (ETS)

2.1.B **Limitations**

- (1) The services provided pursuant to these Rates, Terms and Conditions are offered subject to the availability of facilities and the other provisions of these Rates, Terms and Conditions.
- (2) The Company does not undertake to transmit communications or messages, but rather furnishes facilities, Service and equipment for such transmissions by the Wholesale Customer.
- (3) The Company retains the right to deny Service to any Wholesale Customer which fails to comply with the rules and regulations of these Rates, Terms and Conditions, or other applicable rules, regulations or laws.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### **2.2 Obligations of the Wholesale Customer**

- 2.2.A All Wholesale Customers assume general responsibilities in connection with the provision and use of the Company's Service. General responsibilities are described in this section. When facilities, equipment, and/or communication systems provided by others are connected to the Company's facilities, the Wholesale Customer assumes the additional responsibilities as set forth in Section 2.2, herein.
- 2.2.B The Wholesale Customer is responsible for the payment of all charges for any and all Services or facilities provided by the Company to the Wholesale Customer.
- 2.2.C The Wholesale Customer shall indemnify and save harmless the Company from and against all loss, liability, damage and expense, including reasonable counsel fees, due to claims for libel, slander, or infringement of copyright or trademark in connection with any material transmitted by the Wholesale Customer using the Company's Services; and any other claim resulting from any act or omission of the Wholesale Customer to the use of the Company's facilities.
- 2.2.D The Wholesale Customer shall reimburse the Company for damages to the Company's facilities caused by any negligence or willful act or acts on the part of the Wholesale Customer or the Wholesale Customer's End User.
- 2.2.E In the event a suit is brought by the Company, or an attorney is retained by the Company to collect any bill or enforce the terms of these Rates, Terms and Conditions against a Wholesale Customer, that Wholesale Customer shall be responsible for payment of all reasonable attorney's fees, court costs, costs of investigation and any and all other related costs and expenses incurred by the Company in connection therewith.
- 2.2.F The Wholesale Customer understands that the Services are furnished subject to the condition that there will be no abuse, fraudulent and/or illegal use thereof. Such activity includes, but is not limited to:
- (1) Using the Service for any purpose which is in violation of any law.
  - (2) Obtaining or attempting to obtain Services through any scheme, false representation and/or use of any fraudulent means or devices whatsoever with the intent to avoid payment, in whole or in part, of charges for Services, or assisting any other person or firm in such regard.
  - (3) Using the Services in a manner that interferes unreasonably with the use of Service by one or more other Wholesale Customers or Retail customers of the Company.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### **2.3 Liabilities of the Company**

Except as stated in this Section 2.3, the Company shall have no liability for damages of any kind arising out of or related to events, acts, rights or privileges contemplated in the Rates, Terms and Conditions.

- 2.3.A The liability of the Company for damages resulting in whole or in part from or arising in connection with the furnishing of Service under the Rates, Terms and Conditions including, but not limited to, mistakes, omissions, interruptions, delays, errors or other defects or misrepresentations shall not exceed an amount equal to the charges under the Rates, Terms and Conditions applicable to the specific Service (or portion thereof) that was affected. No other liability shall attach to the Company.
- 2.3.B The Company shall not be liable for any failure of performance hereunder due to causes beyond its control, including, but not limited to: (1) acts of God, fires, flood or other catastrophes; (2) any law, order, regulation, directive, action or request of the United States Government, or any other government, including state and local governments having jurisdiction over the Company, or of any department, agency, bureau, corporation or other instrumentality of any one or more of said governments, or of any civil or military authority; or (3) national emergencies, insurrections, riots, wars or other labor difficulties.
- 2.3.C The Company shall not be liable for any act or omission of any other entity furnishing facilities, equipment, or services used by a Wholesale Customer, with the Company's Services. In addition, the Company shall not be liable for any damages or losses due to the failure or negligence of any Wholesale Customer or due to the failure of Wholesale Customer provided equipment, facilities or services.

### **2.4 Application for Service**

The Wholesale Customer must place an Application for Service with the Company to initiate, cancel or change the Services provided pursuant to these Rates, Terms and Conditions. Applications for Services may be either in writing or orally and provide, at a minimum, the following information:

- 2.4.A Wholesale Customer's name(s), telephone number(s) and address(es). In the case of a corporation or partnership, a designated officer or agent shall be named as the contact person for such corporation or partnership.
- 2.4.B Name(s), address(es) and telephone number(s) of person(s) to whom notices from the Company to the Wholesale Customer shall be addressed, if different from (A) above.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### **2.5 Executed Agreements**

#### **2.5.A Agreement**

The Company and the Wholesale Customer shall execute an agreement (“Agreement”) setting forth, based on the Wholesale Customer’s Application for Service, the specific Services available under the Rates, Terms and Conditions that the Wholesale Customer is ordering, the terms and volume commitments, if any are offered, the Wholesale Customer is establishing, the type and volume of ETS the Wholesale Customer is ordering under NECA Tariff FCC No. 5. The Agreement shall incorporate by reference these Rates, Terms and Conditions. The Rates, Terms and Conditions incorporated by reference into the Agreement should be the current Rates, Terms and Conditions posted on the Company’s web site or delivered to the Wholesale Customer by United States Postal Service, subject to amendment by the Company from time to time as provided for in Section 1.1.F.

#### **2.5.B Technical Standards Supplement (“TS Supplement”)**

The Company and the Wholesale Customer shall agree to the industry technical standards applicable to the transmission of data between the Wholesale Customer and the Company through use of the Company’s Service provided pursuant to these Rates, Terms and Conditions and the Agreement. The agreed to technical standards shall be documented in the Technical Standards Supplement (“TS Supplement”). The TS Supplement shall be signed by both parties and incorporated by reference into the Agreement.

The TS Supplement can be amended, from time to time, based on mutual agreement of the Wholesale Customer and the Company. If an industry standard becomes obsolete or is otherwise no longer supported by vendors associated with the Company’s network, any duties with respect to technical standards are vitiated. In the event the Wholesale Customer and the Company do not come to agreement regarding replacement industry standards, the Company shall choose the replacement industry standard most commonly used by the industry.

### **2.6 Charges and Payments for Service or Facilities**

#### **2.6.A Deposits**

- (1) The Company may, in order to safeguard its interests, require a Wholesale Customer to make a suitable deposit or provide a surety bond or letter of credit in the amount of the required deposit as a guarantee of the payment of charges. The Company shall have the right to require the Wholesale Customer to make a deposit prior to or at any time after provision of any Service, not to exceed three (3) months estimated charges. The Company may increase the amount of the deposit to reflect increases to the Wholesale Customer’s annual bill. The Wholesale Customer will receive a receipt for the deposit.
- (2) Any deposit as referred to in this Section shall be held by the Company to secure the payment of the Wholesale Customer’s bill. At the Company’s option, the deposit may be refunded or

WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

credited to the Wholesale Customer at any time prior to the termination of Service.

- (3) Interest will be paid by the Company on all sums held on deposit at the rate established statutorily for customer deposits. The interest will be accrued for the period during which the deposit is held by the Company.
- (4) The fact that a deposit is made does not relieve the Wholesale Customer from making advance payments or from complying with the Company's regulations for the payment of bills in accordance with the terms herein and does not constitute a waiver or modification of the regulations of the Company providing for the discontinuance of Service for nonpayment of any sums due the Company for Service rendered.
- (5) Upon termination of Service, and assuming deposits of the Wholesale Customer are not applied as indicated in Section 2.6.A.2, the deposit will be credited to the Wholesale Customer's account and any credit balance will be refunded after all amounts due the Company have been paid.

2.6.B Description of Payment and Billing Periods

- (1) Service is provided and billed in advance on a monthly basis. Service continues to be provided and billed on a monthly basis until canceled by the Wholesale Customer through written notice given to the Company. Cancellation for individual CBOL Service provided to Wholesale Customer's will take effect within five business days following receipt by Company of Wholesale Customer's written notice of cancellation.
- (2) The Company shall establish the start date for monthly bill periods and such monthly periods shall continue through the term of the Agreement.
- (3) Proration of Charges

Adjustments for the quantities of services established or discontinued in any billing period beyond the minimum period set forth for services in other sections of the Rates, Terms and Conditions will be prorated to the number of days based on a 30-day month.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

2.6.C Taxes and Other Charges

In addition to payment for Services, Wholesale Customer must pay all taxes, fees, surcharges and other charges that the Company bills Wholesale Customer related to Services. Taxes and surcharges will be in the amounts that federal, state and local authorities require the Company to bill Wholesale Customers. The Company will not provide advance notice of changes to taxes and surcharges, except as required by applicable law. All such taxes and charges shall be separately shown and charged on bills rendered by Company or its billing agent.

2.6.D Payment and Late Payment Charge

- (1) Payment will be due as specified on the Wholesale Customer bill. Commencing after that due date, a late charge of up to the highest interest rate allowable by state law will be applied to all amounts past due.
- (2) Collection procedures and the requirement for a deposit are unaffected by the application of a late payment charge. The late payment charge does not apply to unpaid balances associated with disputed amounts. Undisputed amounts on the same bill are subject to the late payment charge if unpaid and carried forward to the next bill.
- (3) Service may be denied or discontinued at the Company's discretion for nonpayment of amounts due the Company past the due date as specified in 2.6.D(1). Restoration of Service will be subject to all applicable installation charges.

2.6.E Credit Allowance/Service Interruptions

- (1) Credit for failure of Service will be allowed only when failure is caused by or occurs in the Company's facilities or equipment owned, provided and billed for by the Company. A credit allowance is not applicable for any period during which Wholesale Customer cannot utilize the Service, except for such period where the Service is interrupted by the Company for access to its facilities for the purposes of investigating and clearing troubles and/or maintenance.
- (2) Credit allowances for failure of Service or equipment starts when the Wholesale Customer notifies the Company of the failure and ceases when the operation has been restored and an attempt has been made to notify the Wholesale Customer by the Company.
- (3) The Wholesale Customer shall notify the Company of failures of Service or equipment and make reasonable attempts to ascertain that the failure is not caused by Customer Provided Equipment or Customer provided facilities, any act, or omission of the Customer, or in wiring or equipment connected to the Wholesale Customer's terminal.
- (4) Only those portions of the Service or equipment operation disabled will be credited.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### 2.6.F Service Interruption Measurement

- (1) In the event of an interruption of Service that exceeds the minimum requirements set forth in this paragraph, the Company shall make a credit allowance at the Wholesale Customer's request for a pro rata adjustment of all Service charges billed by the Company for Services rendered inoperative by the interruption. The credit allowance will be computed by dividing the duration of the service interruption measured in twenty-four (24) hour days, from the time the interruption is reported to the Company, by a standard thirty (30) day month, and then multiplying the result by the Company's fixed monthly charges for each interrupted Service.
- (2) A credit allowance will not be given for interruptions caused by the negligence or willful act of the Wholesale Customer, or interruptions caused by failure of equipment or service not provided by the Company.

### 2.7 Termination or Denial of Service by the Company

2.7.A The Company may, immediately and without notice to the Wholesale Customer, and without liability of any nature, temporarily deny, terminate, or suspend Service to any Wholesale Customer:

- (1) In the event such Wholesale Customer or its agent: (a) willfully damages the Company equipment, interferes with use of the Company's Service to other Wholesale Customers or Retail customers of the Company; (b) unreasonably places capacity demands upon the Company's facilities or Service; or (c) violates any statute or provision of law, or any rule or regulation of any state or federal regulatory agency relating to communications; or (d) otherwise fails to comply with the provisions of these Rates, Terms and Conditions or applicable law; or
- (2) In the event a Wholesale Customer becomes insolvent, is the subject of any formal legal proceeding commenced in a court involving a voluntary or involuntary petition or proceeding in bankruptcy, seeks protection or relief from creditors in a formal legal proceeding after a filing for such relief, or executes an assignment for the benefit of creditors; or
- (3) In the event that the Company determines that any Service is being used fraudulently or illegally, whether by a Wholesale Customer or its agent.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

**2.8 Billing Disputes**

If Wholesale Customer believes Wholesale Customer has been billed by the Company in error, Wholesale Customer must contact the Company within sixty (60) days of the date of the bill which contains the disputed charge. Refunds or adjustments will not be issued for any charge that is more than sixty (60) days old at the time Wholesale Customer notifies the Company. Wholesale Customer may withhold from payment to the Company the disputed portion of any bill pending resolution of the dispute. Wholesale Customer must pay all non-disputed charges on the bill by the due date indicated on the bill. The Company will notify Wholesale Customer of the results of its inquiry, and either adjust the billing, issue a credit, or notify Wholesale Customer that all or a portion of the disputed amount is still owed. Wholesale Customer will be required to pay such amount within fifteen (15) days thereafter, and if Wholesale Customer fails to pay this amount within the time required, Wholesale Customer's account will be deemed past due and unpaid and Wholesale Customer's Service subject to termination under Section 2.6 above. Any payments Wholesale Customer withholds pending resolution of the dispute may be subject to a late payment charge at the highest interest rate allowable by law applied to past due amounts.

**3. Description of Service****3.1 General**

Consumer Broadband-Only Loop ("CBOL") Service enables data traffic generated by a Wholesale Customer-provided modem to be transported from the premises of the Wholesale Customer's End User to the Company's DSL Access Service Connection Point using the Company's facilities. A DSL Access Service Connection Point is an interconnection point designated by the Company at which the Wholesale Customer may interconnect CBOL Service provided by the Company under the Agreement and Rates, Terms and Conditions with transmission facilities ordered by the Wholesale Customer under the Company's ETS offerings under NECA Tariff FCC No. 5. The DSL Access Service Connection Point aggregates Broadband Internet traffic.

**3.1.A ETS Connection**

The Company offers transport of Wholesale Customer's traffic between the Wholesale Customer's designated premises and the DSL Access Service Connection Point through Ethernet Transport Service (ETS) provided under NECA Tariff FCC No. 5.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### 3.1.B Designated End User Premises

The Company's CBOL Service allows Wholesale Customers to establish Broadband Internet connections to the designated Wholesale Customer's End User premises up to and including the Company's Network Interface Device ("NID").

The connection speed or "sync rate" is between the NID at the End User's premises and the DSLAM. Actual data transfer or throughput may be lower than the sync-rate due to Internet congestion, server or router speeds, protocol overheads, End User use of multiple applications and other factors that may not be under the Company's control.

CBOL Service will be provided by the Company subject to the availability and limitations of Company Wire Centers and outside plant facilities.

### 3.2 Service Options

CBOL Service is available in the downstream and upstream options established by the Company as indicated in each option offered by the Company shall specify the downstream and upstream speeds.

### 3.3 CBOL Service Provisioning

#### 3.3.A Responsibility of the Company

- (1) CBOL Service will be provisioned over existing Company facilities.
- (2) Where fiber is installed to the End User premises, subject to technical capability, the Company will provision Service over fiber facilities.
- (2) Where fiber facilities are not available, the Company will determine if the copper facilities are suitable for use with the Service ordered by the Wholesale Customer. Service will not be provided on facilities that are not suitable for Service or on facilities that produce interference with other services provided by the Company.
- (3) The Company will provision and maintain facilities for the Wholesale Customer between the NID at the End User premises and the Wholesale Customer's Ethernet Transport Service DSL Access Connection Point.
- (4) The Company reserves the right to temporarily interrupt Service for wire center or network maintenance, software updates, and in emergency situations.

#### 3.3.B Responsibility of the Wholesale Customer

WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

- (1) The Wholesale Customer is responsible for obtaining and installing compatible End User customer premises equipment (CPE, DSL modems and/or routers) used for connection to Company's facilities between the End User side of the NID and the End User's equipment.
- (2) The Wholesale Customer is responsible for ensuring the continuing compatibility of CPE at the End User premises. The Wholesale Customer and/or the Wholesale Customer's End User shall be responsible for any expenses incurred for required changes to Wholesale Customer and/or the Wholesale Customer's End User equipment or facilities in order to make such equipment or facilities compatible with the Company's Service.
- (3) The Wholesale Customer is responsible for providing the Company with the necessary information to provision Service to the Wholesale Company's End Users.
- (4) The Wholesale Customer must have connectivity to Company's Ethernet Transport Service network where Wholesale Customer chooses to purchase Service. The rates and charges for Ethernet Transport Service are in addition to the rates and charges for Service as set forth in these Rates, Terms and Conditions.
- (5) The Wholesale Customer will obtain the appropriate authorization from its End User to allow the Company's employees or agents to enter the End User's designated premises at any reasonable hour for the purpose of installing, inspecting, repairing or removing the NID or drop associated with Service.
- (6) The Wholesale Customer is responsible for providing all customer support, marketing, billing, ordering and repair to and for its End Users.
- (7) The Wholesale Customer purchases Service under these Rates, Terms and Conditions on a Wholesale basis and is responsible for all dealings with Retail End User(s) for Broadband Internet service provided by the Wholesale Customer.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

- (8) The Wholesale Customer shall at all times be the customer of record with respect to all Services purchased hereunder and shall be responsible for payment to Company. Wholesale Customer retains all responsibility for billing its Retail End Users and for any claim an End User may make concerning unauthorized billing of Internet or related charges.

**3.4 Rate Regulations****3.4.A Rate Elements**

There are three types of rates and charges applicable to CBOL Service. These comprise a monthly CBOL Service line rate, nonrecurring charges associated with CBOL Service ordered and a CBOL Service network reconfiguration charge.

**(1) Monthly CBOL Service Line Rates**

Consumer Broadband-Only Loop (CBOL) Service provides for use of a line without local exchange voice service for use in connection with fixed Broadband Internet access service provided to the Retail End User of the Wholesale Customer. The CBOL Recurring Charge recovers the Company's loop-related costs when a CBOL Service is provided by the Company without voice telephone service.

**(2) Nonrecurring Charges**

A nonrecurring charge applies per CBOL Service line for the installation of CBOL Service.

**(3) CBOL Service Network Reconfiguration Charge**

A CBOL Service Network Reconfiguration Charge applies when the Wholesale Customer requests the Company to modify the Company's network to accommodate a change in the Wholesale Customer's existing CBOL Service line. A nonrecurring charge applies for each request per CBOL Service line. The Company will bill the CBOL Service Network Reconfiguration Charge to the Wholesale Customer. No CBOL Service Network Reconfiguration Charge shall apply where the change requested by the Wholesale Customer is for a change in CBOL Service transmission speed.

All changes to existing CBOL Service (including but not limited to change of ISP), other than changes involving CBOL Service network reconfigurations and administrative activities, will be treated as a discontinuance of the existing service and an installation of a new service. A nonrecurring installation charge will apply per CBOL Service line for this work activity.

#### 3.4.B Rate Application

The following diagram depicts a typical CBOL Service configuration:

CPE = Customer Premises Equipment

ETS = Ethernet Transport Service

SWC = Serving Wire Center

CBOL Service = Consumer Broadband-Only Loop  
Transport Service

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

### 3.4.C Minimum Period

The minimum period for which CBOL Service is provided to a Wholesale Customer and for which charges are applicable is one month.

### 3.4.D Moves

A move involves a change in the physical location of one of the following:

- The Point of Termination at the Wholesale Customer's designated premises in the Company's study area.
- The Wholesale Customer's End User designated premises

The charges for the move are dependent on whether the move is to a new location within the same building or to a different building.

#### (1) Moves within the Same Building

When the move is to a new location within the same building, the charge for the move will be an amount equal to one half of the nonrecurring (i.e., installation) charge for the Service termination affected. There will be no change in the minimum period requirements.

#### (2) Moves to a Different Building

Moves to a different building will be treated as a discontinuance and start of Service and all associated nonrecurring charges will apply. New minimum period requirements will be established for the new Services. The Wholesale Customer will also remain responsible for satisfying all outstanding minimum period charges for the discontinued service.

Notwithstanding billing of a Monthly Minimum Charge for CBOL Service, the Wholesale Customer remains liable for any charges under these Rates, Terms and Conditions other than line charges that apply for a month such as the CBOL Service Network Reconfiguration Charge or Nonrecurring Charges. Additionally, the Wholesale Customer's duty to pay for ETS charges under NECA Tariff FCC No. 5 are not affected by the monthly minimum charge under these Rates, Terms and Conditions.

### 3.4.E Monthly Transfer Limitations

The Company, in its sole discretion, reserves the right to monitor bandwidth usage (i.e., monthly data transfer rate) for each individual CBOL Service line and determine when such usage is in excess of the monthly transfer limitation for the CBOL Service offering. The monthly period for monitoring is the same month as that for which service is billed by Company to Wholesale Customer for the CBOL Service line. In the event Wholesale Customer exceeds the monthly limits established by the Company herein, Wholesale Customer must undertake to limit usage within the monthly period or incur additional fees as stated below.

### WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

The monthly transfer limitation for the upstream capacity for an offering is equal to 3,000 KBs for each kb of stated upstream speed for an offering. The monthly transfer limitation for the downstream capacity for an offering is equal to 3,000 KBs for each kb of stated downstream speed for the offering. For example, an offering with 1 Mbps upstream speed and 10 Mbps downstream speed would have a monthly transfer limitation for upstream of 3,000 KBs (or 3 GBs) and a monthly transfer limitation for downstream of 30,000 KB (or 30 GBs).

In the event Company monitoring of bandwidth usage indicates imposition of a limitation within the monthly limitation of 3,000 KB per 1 kb, Wholesale Customer may order additional monthly transfer capacity for an individual line at a charge of ten cents (\$0.10) per month for each additional 1,000 KB of upstream data transfer and ten cents (\$0.10) per month for each additional 1,000 KB of downstream data transfer. The monthly transfer limitations applicable to the individual CBOL Service line for which additional transfer capacity is ordered will be increased from 3,000 KB per kb reflective of the individual monthly transfer capacity ordered for either upstream or downstream.

## WHOLESALE CONSUMER BROADBAND-ONLY LOOP SERVICE

3.4.F Individual Case Basis (ICB) Offerings

The Company will enter into individual case basis (ICB) pricing arrangements for certain volume commitments with a term commitment of three years. Notwithstanding the establishment of Company-specific rates under the ICB, all other terms and conditions of these Rates, Terms, and Conditions will apply to all services provided to Wholesale Customer under the ICB. The Wholesale Customer and the Company will execute an Agreement establishing the commitment by Wholesale Customer to the three-year term and WBITS line volume, the individual ICB rates and incorporation by reference these Rates, Terms, and Conditions.

**Section 4: Rates and Charges****4.1 CBOL Service Monthly Recurring Charge**

The monthly CBOL Charge rate applies to each CBOL Service line ordered by the Wholesale Customer.

Monthly Rate Per CBOL Service Line	\$42.00
------------------------------------	---------

**4.2 CBOL Service Nonrecurring Charge**

Nonrecurring Charge Per CBOL Service Line	\$0.00
---	--------

**4.3 CBOL Service Network Reconfiguration Charge**

Nonrecurring Charge per CBOL Service access line reconfigured.

Network Reconfiguration Charge Per CBOL Service Line	\$5.00
--	--------
